Kitchen and Bath Showroom for Luxury Hardware & Accents

Come visit Orlando’s Premier Kitchen and Bath Decorative Hardware showroom filled with luxury materials and design accents. Browse our 5,700 square foot showroom near downtown Orlando, where you’ll find exceptional hardware for your newly built home or remodeling project with products from across North America and Europe.

We are your source for high quality, hard to find items. Our kitchen and bath showroom has carefully designed vignettes to help you and your clients see how the bath fixtures and hardware will work together.

We represent the industry's leading brands of hardware for multiple types of hardware such as:

Plumbing: Crosswater London, The Galley, THG, Phylrich, Sigma, The Furniture Guild, Bain Ultra, Blanco, Julien, Native Trails, Stone Forest, Graff, Ammara Designs, Brizo, Jaclo and more. To see all our vendors, see the menu bar above to search under Kitchen or Bath to find the items you are looking for and all our vendors are shown.

Door Hardware: Fersa, Rocky Mountain Hardware, Ashley Norton, Omnia, Turnstyle Designs, Baldwin Hardware, Hamilton Sinkler, Emtek and more.
To view all our door hardware vendors, click here!

Cabinet Hardware: Manzoni, Schaub & Co, ALNO, Inc, Edgar Berebi, VESTA, Colonial Bronze, RK International, Omnia, Top Knobs, Emtek and more.
To view all our cabinet hardware vendors, click here!

Lighting & Accessory Lines: Luna Bella, Global Views, Arteriors, Mirror Image Home, JM Piers, Norwell Lighting, Nick Alain, Ayre Lighting, Ginger & Co, Sidler International, Kartners, AMBA Products, and so much more.

To view our Lighting Lines, click here, and to view our Accent Items, which is ever changing, click here!

Custom Sized Air Conditioning Vents and Cabinet Inserts made of steel and powdercoated to last a lifetime, from SteelCrest, an American Made product from Arizona.
To learn more click here!

Custom Sized Exterior Shutters meant to endure the Florida Heat and Humidity, from Atlantic Shutter Systems, also an American Made product from South Carolina.
To learn more click here!

We invite you to visit our showroom, to feel the difference quality makes. Whether you're an architect, designer, contractor or owner, we'll temp you with thousands of products to make your next project exceptional! Beyond the products we offer, our concierge level of service is standard for all our clients. We take care of the details for you, making the building process a little less stressful.
